PAST PROGRAMS

Picking up from last month we start with the visit to the ham
shacks of our Vice Pres. Lon Webb, and the home of Fred Manning.
This was quite a trip with two fellows even running out of gas
(for their autos). Fred Manning has, since a few days after the

visit, been in the hospital. He fell out of a tree he was trimming, to clear his beam. Good luck om. On March 26th we had an old fashioned auction with Don Davis and D. J. Angus doing the honors. The early part of this meeting was conducted by candlelight as the storm which had visited Costesville and Darville had taken power out in the section that serves the Community Center. On April 2nd a closed meeting was held and the following men were initiated into the club:

Otto Walters W9YOT	Charles Parker	Howard Severied W9DPL
Cecil Lovell	Ray Forbes W9HNS	Harold Ferguson W9APG
James Sugioaka W9CKX	Joe Brand W9BNS	Al Storey
Howard Mock W9HRA	Howard Yost	Norman White
Jake Worley W9CMQ	Wm. Moore W9WNB	Eugene Koehler
Walter Wuster	Delbert Miller	Clarence Pence
Rollie Boughton W9PMM	Steve Hritsko W9SFR	Charles Reynolds W9ATE
Al Whisenand W9ASM	Eugene Beeler	Van Wood W9MFM
Wm. Hoelker W9ZHO	W. A. Rogers	Ed Irwin W9TXL

A grand time was had by all, even those being initiated HI. Eats were served immediately after the ceremony. We wish to thank the initiating committee for the swell job done in whipping the ceremony into shape in the short time available:

Questionnaire

Please send in those questionnaires, if you have lost the one sent please see our secretary Joe Brand for a copy. Our mailing list has been cut quite a bit because some have not considered amachewer worth the price of a stamp. Your attention to seeing that yours is turned in will assure your receiving the paper. If we do not get a return from you we can assume that the address is incorrect and you have never received any copies at all.

AUDIO HOWL

W9APJ, Gerald Lucas protests that the daughter as reported in last Amachewer is a son. The editor paid him a visit and now reports that Gerald now has a daughter AND a SON.

REPORTING.

The storm was very hard on beams in town. Ferguson, W9APG reports that his came down. EON reports same. Lon Webb's beam stayed up but the shingles blew up and let his living room ceiling down. As re-

ported before, Fred Manning fell from a tree and hurt his back. He is now home walking around in a cast from his legs up to his neck. He has been operating on the air a little.

PITCH-IN DINNER

As announced in the program section the YL's, XYL's, the OW, the Junior Opr. etc. are to have their meeting Sunday April 11th at the Northeast Community Center at 3306 East 30th St. Meeting place will be open at 12:30 and it is planned to start eating at 1:00 PM. So that the arrangements can be made you are requested to call Mrs. Dorothy Nelson at Cherry 4926. She can advise you what has already been offered in the way of food. so that a more varied meal can be put on the table.

Bring your own table-ware and possibly a table cloth. Facilities for washing dishes are at the Center, bring drying cloths and soap.

If you are single and want to attend the dinner you may contribute to the fund to provide the coffee cream, coffee, sugar, etc.

Let's all turn out for this revival of an old Indianapolis Radio Club activity. Meet the family of the other man and have a good time. It's success may mean that we can continue by having monthly get togethers. Be seeing you there.

QST's

Alvey Pittman has the QST file of the club and turned in the following list of missing numbers. If you have a lot of old QST's around and are going to get rid of them why not let the club have the copies listed. The following are missing from our file.
